Week #3: Tips for Seniors

GOV. RELL: I'm Governor Jodi Rell inviting you to listen to today's "Informed Investor," with the Securities Division within the Department of Banking and AARP-Connecticut for the Campaign for Wise and Safe Investing.

ANNOUNCER: Seniors are often targets for financial fraud. Here are some tips to help avoid the schemes.

The easiest thing to do is – say No. Don't let anyone ever rush you or scare you when it comes to an investment.

Most important, don't give control to strangers. Don't trust someone just because they might "sound nice." Check out their professional background with the Connecticut Securities Division **before** you make an investment.

And if you become a victim, report it. Letting authorities know is the only way to help stop the abuse.

This is brought to you by The Informed Investor -- The Connecticut Securities Division and AARP urge you to learn more about investment fraud.

We're here to help.
