**NOTIFICATION**

On or about June 5, 2019, pursuant to an Administrative Decision by the Commissioner, inmates who were not eligible to earn RREC were now granted the RREC for that time period and will be able to earn RREC going forward.

In order to have been eligible for an adjustment the specific sentence/docket had to fall under the following criteria.

- Must be serving an offense that was affected by PA15-216.
  - 53a-55, 53a-55a, 53a-70c, 53a-40(a) and (b), VOP of one of these offenses and/or 53a-8 of one of these offenses.
- Applicable offense was committed on or after 07/01/11 but prior to 10/01/15.
- Must have been in compliance with Administrative Directive 4.2A (RREC) for the period from 10/1/15, when PA15-216 went into effect, to present.

If criteria was met, the following adjustments were made accordingly.

- Applicable offense was committed on or after 07/01/11 but prior to 07/01/13.  
Adjustment of RREC was posted reducing the release date and reducing the 85% PED.
- Applicable offense was committed on or after 07/01/13 but prior to 10/01/15.  
Adjustment of RREC was posted reducing the release date. No change to the 85% PED.

The adjustments are subject to future audits and/or changes if additional information is provided. The adjustments are subject to all areas of the Administrative Directives and/or the Departments Policies and Procedures.

An updated timesheet has been provided.
