

## **Notice to Offender Population**

### **Public Act 11-51- Administrative Directive 4.2A RESCINDING AND/OR EXCLUSION FROM EARNING RISK REDUCTION EARNED CREDITS (RREC)**

An exception to Administrative Directive 4.2A Risk Reduction Earned Credits has been issued regarding the rescinding of or being excluded from earning Risk Reduction Earned Credits.

An offender who poses a continued threat to, or presents an ongoing risk to the public, the facility, staff or other offenders, may be excluded from earning prospective RREC, and/or may have previously earned RREC rescinded, at the discretion of the Commissioner or designee.

If an offender is considered for rescission of RREC and/or excluded from earning prospective RREC, the offender shall be notified in writing 48 hours in advance of a hearing. The hearing results shall be forwarded to the Director of Programs and Treatment for review and decision.

An offender shall be notified of the decision using the "Notification of Decision for Rescinding/Exclusion from Earning RREC" form, CN 42A05.

An offender may appeal a rescission or exclusion decision by submitting a copy of the decision sheet/Form CN42A05 along with an inmate request form. The appeal of a rescission or exclusion decision does not fall under the grievance process in Administrative Directive 9.6, Administrative Remedies. A grievance form should not be completed for this type of appeal.
