

Local Transportation Capital Improvement Program

GENERAL MUNICIPAL CERTIFICATION

Project Title: _____

I, _____, duly authorized

name

by the _____ of _____ do certify and attest to the following:

1. That the project plans, specifications, and estimates have been approved and accepted. Any design exceptions from established local, AASHTO, the Department's Highway Design Manual, and/or the Department's Bridge Design Manual, as applicable, have been authorized by the municipality and are documented and retained in the project records.
2. That the municipality owns or has the responsibility for maintaining the facility for which funding is sought and will be responsible for all future maintenance of the facility.
3. That all public and private utility relocations have been addressed.
4. That all permits required from Federal, State, and local agencies have been obtained, and all applicable permits, permit conditions, and regulations will be complied with.
5. Public involvement process has been completed, the concerns of the residents have been considered, the project is in the best interest of the general public.
6. Project complies with Connecticut Environmental Policy Act as applicable.
7. Project is consistent with the local conservation and development plan.
8. The municipality has coordinated with the Department's Office of Maintenance during the design phase and the design has been deemed acceptable for issuance of an encroachment permit for all work within the State right of way.
9. Rights of Way (select one)

There are no right of way acquisition activities required as part of the proposed project.

All right of way activities associated with the project have been completed as evidenced by submission of the required documentation described in the Rights of Way section of the Local Transportation Capital Improvement Program guidelines.

The purchase price for all property rights being acquired represents the fair market value of such property rights, as established by a certified appraiser.

For all property rights that were acquired by donation, a Waiver of Compensation and Appraisal Form has been properly executed.

Any relocations were completed in conformance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended.

10. Plans and specifications are complete and signed and sealed by the Engineer of Record.
11. That separate accounts have been established specifically for this project and all additions or disbursements will be made therefrom.
