Corporation Name	CT TAX REGISTRATION NUMBER

Purpose

Form CT-1120I is used by corporations to determine interest due on underpayments of estimated Connecticut corporation business tax.

General Instructions

If the corporation has made timely installment tax payments (Forms CT-1120 ESA, ESB, ESC, and ESD) and has paid at least 90% of the current year's tax or 100% of the prior year's tax before the application of any tax credits, at the required installment rate, the taxpayer is not subject to interest on underpaid installments. If the current year's tax is \$1,000 or less, it is not necessary to complete this form. Use Form CT-1120I to compute interest due for Form CT-1120, Corporation Business Tax Return; Form CT-1120CR, Combined Corporation Business Tax Return; and Form CT-990T, Connecticut Unrelated Business Income Tax Return.

Estimated tax payments may be based on the applicable percentage of the current year's tax determined by annualizing net income. See Informational Publication 99(12.1), Calculating Annualized Estimated Corporation Business Tax Installment and Worksheet CT-1120 AE.

NEW FOR 2002:

Limitation on Use of Tax Credits

The amount of tax credits otherwise allowable against the corporation business tax for any income year shall not exceed 70% (.70) of the amount of total tax due prior to the application of the tax credits. (2002 Conn. Pub. Acts 1, §59 (May 9 Spec. Sess.))

For income years beginning on or after January 1, 2002, no tax credit can be applied against the minimum tax of \$250. (2002 Conn. Pub. Acts 1, §57 (May 9 Spec. Sess.))

Special Rule for 2002:

Interest due on an underpayment of estimated tax for the 2002 income year may be reduced or eliminated to the extent such underpayment was created or increased by any provision of 2002 Conn. Pub. Acts 1 (May 9 Spec. Sess.), and to the extent any estimated tax payment was required to be made on or before July 15, 2002. The sections of 2002 Conn. Pub. Acts 1 (May 9 Spec. Sess.), that may have created or increased an underpayment of estimated tax for the 2002 tax year include, but are not limited to, the following:

- Section 56 requires the add-back of the special federal bonus depreciation for certain assets placed in service after September 10, 2001 and before September 11, 2004 under I.R.C. §168(k);
- Section 57 requires that no tax credit can be applied against the minimum tax of \$250; and

- Section 59 requires that the amount of tax credits allowable against the corporation business tax shall not exceed 70% (.70) of the amount of tax due prior to the application of credits;

See Announcement 2003 (2), Special Estimated Tax Rules for Corporations Affected by 2002 Conn. Pub. Acts 1 (May 9 Spec. Sess.), for more information.
