Schedule CT-709 Farmland

Who Must File This Schedule

Any donor who makes a gift of land that is classified as farmland under Conn. Gen. Stat. §12-107c to a lineal descendant or the spouse of a lineal descendant must complete and attach this schedule to Form CT-709 if the land is valued based upon its current classification and use as farmland.

Transfers of Farmland or Change of Classification

If land that is valued as farmland under Conn. Gen. Stat. §12-107c is within ten years:

- Transferred by the donee to anyone other than a lineal descendant or spouse of the lineal descendant, **or**
- **No longer classified** as farmland,

the donee (or the donee's lineal descendant or the spouse, if the farmland has been transferred by the donee to the donee's lineal descendant or the spouse) must file this schedule and pay the tax due. The tax is computed by subtracting the tax paid by the donor from the tax that would have been due from the donor if the donor had filed Form CT-709 using the fair market value of the farmland as reported on federal form 709, Schedule A.

Donor Instructions

1. Enter the donor's name, mailing address, and Social Security Number at the top of the schedule.
2. Complete Columns A through E of this schedule for each gift.

Column A – Number each gift.

Column B – Enter the donee's identifying information and a complete description of the farmland being transferred, including the volume and page number of the land records of the town in which the deed of gift is recorded. This information should match the description on Form CT-709, *Schedule A*, Column B. Attach a copy of the deed that shows its receipt and recording by the town clerk.

Column C – Enter the date the gift was given.

Column D – Enter the fair market value of the farmland, based on its highest and best use, as of the date of the transfer. This should match the amount on federal Form 709, Schedule A.

Column E – Enter the value of the farmland based upon its current use as farmland as of the date of the transfer. This should match the amount on Form CT-709, *Schedule A*, Column E.

3. Calculate any additional gift tax that may become due and enter on **Line F**. Calculate the additional gift tax that would have been due if the donor filed Form CT-709 using the fair market value of the farmland as reported on federal Form

709, Schedule A. Subtract the actual tax reported on Form CT-709, Section 2, Line 2, from the tax that would have been due if the donor filed Form CT-709 using the fair market value of the farmland.

4. **Donor's signature** – The donor must sign and date this schedule.
5. Give the donee(s) a copy of this schedule and the instructions on the reverse side.
6. Attach this Schedule to your Form CT-709.

Donee Instructions

A donee is liable for additional gift tax if, within ten years of the original gift, the farmland is transferred to a nonlineal descendant or is no longer classified as farmland. If this occurs, the donee must submit to DRS:

1. A copy of the original *Schedule CT-709 Farmland* provided by the donor; **and**
2. A written statement that includes the date:
 - a. The land was transferred to a person other than the donee's lineal descendant or that descendant's spouse, **or**
 - b. The classification of the land was changed from farmland.

Due Date of Additional Tax

The additional amount of tax due is the amount entered on Line F on the front of this schedule. You must file this schedule and pay the tax due no later than 60 days following the transfer or reclassification. Interest will accrue at the rate of 1% (.01) per month or fraction of a month from the due date to the date of payment.

Extension of Time to File

The Commissioner may, for good cause, extend the time for payment of the tax if the donee (or, if the land was transferred to the donee's lineal descendant or the descendant's spouse, the descendant or the descendant's spouse) files a written application with the Commissioner on or before the 60-day period expires.
