What's New

Due Date

Washington DC will celebrate Emancipation Day on Friday, April 15, 2011. As a result, any federal return otherwise due on April 15 that is filed (mailed or transmitted) on Monday, April 18, 2011, will be considered timely filed. Connecticut will conform to the federal extended due date. Therefore, Connecticut income tax returns and payments normally due on April 15 will be treated as timely filed if they are filed on April 18, 2011.

Tax Credits

Effective for income tax years beginning on or after January 1, 2010, new legislation provides for credits applicable against the income tax. For more information regarding additional requirements and limitations to these credits, see **Special Notice 2010(3)**, *2010 Legislative Changes Affecting the Income Tax*, or contact the Department of Economic Development (DECD) or Connecticut Innovations Inc.

Qualified Small Business Job Creation Tax Credit

An employer with less than 50 employees in Connecticut may earn a credit equal to \$200 per month for hiring a new employee after May 6, 2010, who resides in Connecticut. The new employee must be hired to fill a full time job during the income years beginning on or after January 1, 2010, and before January 1, 2013.

The tax credit may be used against the tax liability under Chapter 229 or against the tax liability under Chapter 207 or 208 of the Connecticut General Statutes, for the income year in which the new employee is hired and, if eligible, the two immediately succeeding income years. However, this credit cannot be used against the employer's withholding tax liability. Additionally, this credit does not carry forward, is nonrefundable, and if used against an income tax liability imposed under Chapter 229 of the Connecticut General Statutes, is limited by the amount of the tax. The tax credit is not available for an income year if the new employee is not employed by the employer at the close of that income year. The tax credit is administered by DECD.

Vocational Rehabilitation Job Creation Tax Credit

An employer may earn a credit equal to \$200 per month for hiring a new qualifying employee who is receiving rehabilitation services from the Bureau of Rehabilitation Services within the Department of Social Services or from the Board of Education and Services for the Blind. The new employee must be hired after May 6, 2010, to work at least 20 hours per week for 48 weeks of a calendar year.

The tax credit may be used against the tax liability under Chapter 229 or against the tax liability under Chapter 207 or 208 of the Connecticut General Statutes, for the income year in which the new employee is hired and, if eligible, the two immediately succeeding income years. However, this credit cannot be used against the employer's withholding tax liability. Additionally, this credit does not carry forward, is nonrefundable, and if used against an income tax liability imposed under Chapter 229 of the Connecticut General Statutes, is limited by the amount of the tax. The tax credit is not available for an income year if the new employee is not employed by the employer at the close of that income year. The tax credit is administered by DECD.

Angel Investor Tax Credit

This tax credit is available to angel investors making a cash investment of not less than \$100,000 in the qualified securities of a Connecticut business. The credit is applicable to taxable years beginning on or after January 1, 2010. However, tax credits cannot be reserved for any investments made on or after July 1, 2014.

The allowable credit is 25% of the cash investment, cannot exceed \$250,000, cannot exceed the amount of the income tax imposed under Chapter 229 of the Connecticut General Statutes for the taxable year, and cannot be used against the withholding tax liability imposed by Conn. Gen. Stat. §12-707. The credit must be claimed in the taxable year in which the investment is made. Any tax credit claimed but

not applied against the income tax liability may be carried forward for the five immediately succeeding taxable years until the full credit has been applied. The credit is not transferable. The tax credit is administered by Connecticut Innovations, Inc.

Claiming the Tax Credits

These credits may be claimed by the shareholders of an S corporation or the partners of an entity treated as a partnership for federal income tax purposes. The pro-rata share of the credits earned by a pass-through entity (PE) must be reported to each member or partner on **Schedule CT K-1, Member's Share of Certain Connecticut Items**. If the entity is a single member limited liability company that is disregarded as an entity separate from its owner, the tax credit may be claimed by the limited liability company owner provided the owner is a person subject to Connecticut income tax.

A PE required to make Connecticut income tax payments on behalf of its nonresident noncorporate members, when calculating the required income tax payment, may subtract the nonresident noncorporate members' pro-rata share of any of the credits earned by the PE. See instructions for **Form CT-1065/CT-1120SI, Connecticut Composite Income Tax Return, Part I, Schedule B - PE Member Composite Return**, on Page 17 and *Schedule CT K-1 Instructions* on Page 27.

Substantial Economic Presence

For taxable years beginning on or after January 1, 2010, a partnership, limited liability company treated as a partnership for federal income tax purposes, or S corporation having a substantial economic presence in Connecticut will be deemed to be doing business in Connecticut. A partnership, limited liability company, or S corporation has substantial economic presence in Connecticut if it purposefully directs business toward the state. The purpose can be determined by the frequency, quantity, and systematic nature of its economic contact with Connecticut. See **Informational Publication 2010(29), Q & A on Economic Nexus**.

Amending Connecticut Income Tax Returns

Effective for taxable years beginning on or after January 1, 2010, if a Connecticut taxpayer files an amended federal income tax return with the Internal Revenue Service (IRS) or other competent authority, the taxpayer is required to file an amended Connecticut income tax return on or before the date that is 90 days after the final determination is made on the amended return by the IRS or other competent authority. Previously, the Connecticut taxpayer was required to file an amended return with Connecticut on or before 90 days after filing an amended return with the IRS or other competent authority.

Other Taxes For Which the Pass-Through Entity May Be Liable

The information that follows is a general description of other Connecticut taxes for which a pass-through entity (PE) may be liable. Failure to pay these or any taxes for which the PE is liable may subject the PE to civil and criminal penalties.

Connecticut Income Tax Withholding

Any PE that maintains an office or transacts business in Connecticut (regardless of the location of the payroll department) and is considered an employer for federal income tax withholding purposes must withhold Connecticut income tax from Connecticut wages as defined in Conn. Agencies Reg. §12-706(b)-1. See **Informational Publication 2011(1)**, *Connecticut Employer's Tax Guide - Circular CT*.

Business Entity Tax (BET)

The business entity tax (BET) is an annual tax of \$250 imposed on the following business types:

- S corporations (Qualified subchapter S subsidiaries (QSSS) are not liable for the BET.);
- Limited liability companies (LLCs or SMLLCs) that are, for federal income tax purposes, either:
 - Treated as a partnership, if it has two or more members; **or**
 - Disregarded as an entity separate from its owner, if it has a single member;
- Limited liability partnerships (LLPs); **and**
- Limited partnerships (LPs).

The BET applies to those business entities listed above if either: 1) the entities were formed under Connecticut law; or 2) the entities were not formed under Connecticut law but are required to register with or obtain a certificate of authority from the Connecticut Secretary of the State before transacting business in the state (regardless of whether or not the entities have complied with the requirement). Visit the Department of Revenue Services (DRS) website at www.ct.gov/bet for additional information regarding the BET.

Connecticut Sales and Use Taxes

A PE may be responsible for filing sales and use tax returns. Sales tax is due if the company sells taxable goods or services. Use tax is due on the purchase of taxable goods or services from out-of-state retailers or Connecticut retailers who have not collected the sales tax. Both taxes are reported on **Form OS-114**, *Sales and Use Tax Return*.

Controlling Interest Transfer Taxes

Tax is imposed on the sale or transfer for consideration of a controlling interest in an entity where the entity owns, directly or indirectly, an interest in Connecticut real property. This tax is reported on **Form AU-330**, *Controlling Interest Transfer Taxes*. See **Special Notice 2003(11)**, *Legislation Affecting the Controlling Interest Transfer Tax*.

Real Estate Conveyance Tax

If a PE transfers real estate in Connecticut, it must complete and file **Form OP-236**, *Real Estate Conveyance Tax Return*, in the town in which the real estate is situated.

Registration

Generally, a PE must register with DRS if it is liable for any taxes administered by DRS, such as sales and use taxes and Connecticut income tax withholding. If the PE does not have a Connecticut Tax Registration Number, the PE may register online through the DRS website at www.ct.gov/DRS. If the PE already has a Connecticut Tax Registration Number additional taxes for which the PE is liable may be added to the registration online through the **Taxpayer Service Center (TSC)**.

Abusive Tax Shelters

Any individual or business entity that fails to disclose participation in an abusive tax shelter designated by the Internal Revenue Service (IRS) as a *listed transaction* is subject to audit penalties of 75% of the tax deficiency that results from the tax shelter activity. To fulfill the Connecticut disclosure requirement, any taxpayer (individual or entity) that has participated in a listed transaction must file a completed **Form CT-8886**, *Connecticut Listed Transaction Disclosure Statement*, with DRS. Form CT-8886 must be filed for each taxable year for which a taxpayer participates in, or receives a benefit from, a listed transaction.

General Information

Requirement to Attach Copies of Federal Forms

Taxpayers completing a paper **Form CT-1065/CT-1120SI**, *Connecticut Composite Income Tax Return*, are required to attach a copy of **completed** federal Form 1065, U.S. Return of Partnership Income, or federal Form 1120S, U.S. Income Tax Return for an S Corporation. Do **not** attach copies of federal Schedule K-1 (Form 1065), Partner's Share of Income, Deductions, Credits, etc., or Schedule K-1 (Form 1120S), Shareholders Share of Income, Deductions, Credits, etc.

Cancellation of Debt Income

Section 1231 of the American Recovery and Reinvestment Act of 2009 allows a taxpayer, at the taxpayer's election, to defer the inclusion in federal

gross income of cancellation of debt income realized in connection with a reacquisition of an applicable debt instrument after December 31, 2008, and before January 1, 2011. For taxable years ending after December 31, 2008, a partnership or S corporation making the federal deferral election must enter on Form CT-1065/CT-1120SI, Part V, Line 4, each member's share of the deferred cancellation of debt income for the 2010 taxable year. See **Special Notice 2009(3)**, *2009 Legislative Changes Affecting the Income Tax*.

Domestic Production Activity Deduction

For taxable years beginning on or after January 1, 2009, the domestic production activity deduction allowed under Internal Revenue Code (IRC) §199 is not allowed for Connecticut income tax purposes. See SN 2009(3).

Requirement to Identify Exempt Members

If a subsidiary pass-through entity (PE) is not making complete Connecticut income tax payments on behalf of a parent PE because one or more members of the parent PE are corporate members or resident noncorporate members, the subsidiary PE must attach a statement listing the parent PE's corporate and resident noncorporate members. The statement must include each exempt member's name, Social Security Number (SSN) or Federal Identification Number (FEIN), ownership percentage, and share of income.

Requirement to Separately Submit Copies of All Schedule CT K-1s Issued

For taxable years beginning on or after January 1, 2009, copies of all Schedule CT K-1s issued by a PE must be filed with DRS. Schedule CT K-1s should be attached to **Form CT K-1T**, *Transmittal of Schedule CT K-1, Member's Share of Certain Connecticut Items*, and sent separately to DRS. **Do not** file Form CT K-1T and Schedule CT K-1s if Form **CT-1065/CT-1120SI**, *Connecticut Composite Income Tax Return*, is electronically filed with DRS. Schedule CT K-1 must still to be issued to all members. Use Form CT K-1T even if only one paper Schedule CT K-1 is being submitted. Do not file Schedule CT K-1s with the composite income tax return. See Form CT K-1T and Schedule CT K-1 *Instructions*.

How to Get Help

DRS is ready to help you get answers to Connecticut tax questions. Visit the DRS website at www.ct.gov/DRS or call **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere) during business hours. For personal assistance, visit the DRS office at 25 Sigourney Street, Hartford. Be sure to bring your completed federal return if applicable.

Forms and Publications

Visit the DRS website at www.ct.gov/DRS to download and print Connecticut tax forms and publications anytime.

Taxpayer Service Center

The **Taxpayer Service Center (TSC)** allows taxpayers to electronically file, pay, and manage state tax responsibilities. DRS encourages Connecticut composite income tax filers to use the **TSC** to electronically file and pay their CT-1065/CT-1120SI tax return. The **TSC** is an interactive site that provides a fast, free, accurate, and secure way to file eligible tax returns and pay the tax due or to initiate a payment-only transaction.

Additionally, the **TSC** offers a secure mailbox for information sharing, multi-level access to your account by tax type, the ability to view transactions, and the ability to cancel your electronic payments. The **TSC** also offers an easy way to get answers to most frequently-asked questions and enables taxpayers to send queries for additional information.

Estimated Payments

A PE is not required to make estimated Connecticut income tax payments on behalf of its nonresident members.

Income Tax Overpayment

A member's Connecticut income tax overpayment will be refunded only to the PE.

Who Must File

Every PE that does business in Connecticut or has income derived from or connected with sources within Connecticut must file Form CT-1065/CT-1120SI regardless of the amount of its income (loss). The PE must first complete either federal Form 1065, U.S. Return of Partnership Income, or federal Form 1120S, U.S. Income Tax Return for an S corporation. Information on the federal return is needed to complete Form CT-1065/CT-1120SI.

An electing large partnership (ELP) that completes federal Form 1065-B, U.S. Return of Income for Electing Large Partnerships, must still use Form CT-1065/CT-1120SI. Connecticut does not conform to the electing large partnership provisions.

Special Filing Requirements for Form CT-1040NR/PY

If the member's only income derived from or connected with Connecticut sources is from one or more PEs and each PE is required to make a Connecticut income tax payment on his or her behalf because the member's share of each PE's income derived from or connected with Connecticut sources is \$1,000 or more, the member is **not required** to file **Form CT-1040NR/PY**, *Connecticut Nonresident and Part-Year Resident Income Tax Return*. Except as otherwise provided in **Informational Publication 2006(22)**, *Connecticut Income Tax Changes Affecting Pass-Through Entities*, Question 10, with respect to a member's payment obligations, the Connecticut income tax payment made by each PE on the member's behalf satisfies the member's Connecticut income tax filing and payment obligations. If the Connecticut income tax payment made on the member's behalf by a PE exceeds the amount of the member's Connecticut income tax liability, as reported on Schedule CT K-1, Part III, Line 1, issued to the member by the PE, DRS will refund the excess to the PE.

Extension of Time to File

The extension of time to file Form CT-1065/CT-1120SI has been reduced from six months to five months for any tax returns and forms that are due on or after April 15, 2011. If you are requesting an extension of time to file Form CT-1065/CT-1120SI, the extended due date of your return is September 15, 2011, if you are a calendar year filer.

A PE Must Provide Schedule CT K-1 to All Members

For taxable years beginning on or after January 1, 2009, a PE must furnish Schedule CT K-1s, to all members on or before the fifteenth day of the fourth month following the close of the taxable year (April 15 for calendar year filers). See *Schedule CT K-1 Instructions* on Page 27.

If the PE requested an extension of time to file Form CT-1065/CT-1120SI by timely filing **Form CT-1065/CT-1120SI EXT**, *Application for Extension of Time to File Connecticut Composite Income Tax Return*, the deadline for furnishing Schedule CT K-1 to members is automatically extended to the fifteenth day of the ninth month following the close of the taxable year (September 15 if the PE's taxable year for federal purposes is the calendar year).

How Members Report Income

Resident Noncorporate Member

If the member is a resident individual, his or her share of PE income or loss is included in his or her federal adjusted gross income and, therefore, is includable in the federal adjusted gross income reported on the member's **Form CT-1040**, *Connecticut Resident Income Tax Return*. The PE must provide the member with Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1040, *Schedule 1*.

If the member is a resident trust or estate, its share of PE income or loss is included in its federal taxable income and, therefore, is includable in the federal taxable income reported on the member's **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1041, *Schedule A*.

Nonresident Noncorporate Member

If the member is a nonresident individual, his or her share of PE income or loss is included in federal adjusted gross income and, therefore, is includable in the federal adjusted gross income reported on the member's Form CT-1040NR/PY. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1040NR/PY, *Schedule 1*, and amounts of PE income or loss derived from or connected with Connecticut sources the member must include on **Schedule CT-SI, Nonresident or Part-Year Resident Schedule of Income From Connecticut Sources**, assuming the member is required to file Form CT-1040NR/PY.

A member who is a nonresident individual is expressly relieved of the obligation to file his or her own Connecticut income tax return if the member's only Connecticut-sourced income is from one or more PEs and the total is less than \$1,000.

If a nonresident member's Connecticut-sourced income from one or more PEs is not the member's only Connecticut-sourced income, the filing of a composite income tax return by the PE and the making of an income tax payment by the PE on the member's behalf does not excuse the member from the obligation to file his or her own separate Connecticut income tax return.

If a nonresident member's only Connecticut-sourced income is from one or more PEs, the filing of a composite income tax return by each PE and the making of an income tax payment by each PE on the member's behalf fulfills the Connecticut income tax filing and payment requirements otherwise separately imposed on the member by Chapter 229 of the Connecticut General Statutes.

If the member is a nonresident trust or estate, its share of PE income or loss is included in federal taxable income and, therefore, is includable in the federal taxable income reported on the member's Form CT-1041. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1041, *Schedule A*, and amounts of PE income or loss derived from or connected with Connecticut sources that the member must include on **Schedule CT-1041FA, Fiduciary Allocation**.

For filing requirements of a nonresident trust or estate, see **Form CT-1041 Booklet, Connecticut Income Tax Return for Trusts and Estates**.

Member That Is Itself a Pass-Through Entity

If the member is a PE, it is referred to as a parent PE and the PE of which it is a member is referred to as a subsidiary PE. The parent PE's share of the subsidiary PE's income or loss is included in the income or loss reported on the parent PE's federal Form 1065 or federal Form 1120S, as the case may be, and is, therefore, included in the income or loss reported on the parent PE's Form CT-1065/CT-1120SI. The subsidiary PE must furnish a Schedule CT K-1 to the parent PE and report:

- Connecticut modifications that the parent PE must include on Form CT-1065/CT-1120SI, Part V;
- Amounts of the subsidiary PE's income or loss derived from or connected with Connecticut sources that the parent PE must report on its Form CT-1065/CT-1120SI, Part I, *Schedule D*, Column B, and must include on its Form CT-1065/CT-1120SI, Part VI; **and**
- The Connecticut income tax liability that the parent PE must report on its Form CT-1065/CT-1120SI, Part I, *Schedule D*, Column C.

The parent PE must, in turn, provide its members with a Schedule CT K-1 reporting their share of the Connecticut modifications as reported on the parent PE's Form CT-1065/CT-1120SI, Part V; their share of the amounts of the parent PE's income or loss derived from or connected with Connecticut sources as reported on the parent PE's Form CT-1065/CT-1120SI, Part VI; and their share of the Connecticut income tax liability paid by the parent PE on behalf of its members as reported on the parent PE's Form CT-1065/CT-1120SI, Part I, *Schedule B*, Column F.

Composite Payment of Tax

For taxable years beginning on or after January 1, 2008, the PE should not rely or act on a statement made by a member that a Connecticut income tax payment, including estimated Connecticut income tax payments, have been made by the member for the taxable year. The PE must make an annual Connecticut income tax payment on behalf of the member where the following criteria are met regardless of any instructions to the contrary by the member to the PE:

- The member is a nonresident noncorporate member or a PE; **and**
- The member's share of the PE's income derived from or connected with Connecticut sources is \$1,000 or more.

The annual income tax payment that a PE is required to make on behalf of nonresident noncorporate or PE members must be calculated using the highest marginal rate of 6.5%. Interest and penalty will be assessed on the Connecticut income tax payment required to be made but not made by the PE on behalf of a member.

Accounting Period and Method of Accounting

A PE's accounting period and method of accounting for Connecticut income tax purposes must be the same as its accounting period and method of accounting for federal income tax purposes.

If a PE's accounting period or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File Form CT-1065/CT-1120SI

Form CT-1065/CT-1120SI is due on or before the fifteenth day of the fourth month following the close of the taxable year (April 15 for calendar year filers). (However, for the 2010 calendar year, DRS will follow the IRS deadline of April 18, 2011.) If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. The return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

Extension Request

To get a five-month extension of time to file Form CT-1065/CT-1120SI and the same extension of time to furnish Schedule CT K-1 to its members, the PE must file **Form CT-1065/CT-1120SI EXT**, *Application for Extension of Time to File Connecticut Composite Income Tax Return*, on or before the fifteenth day of the fourth month following the close of the taxable year together with payment of the total tax due. Timely filing this form automatically extends the due date for five months only if federal Form 7004, *Application for Automatic Extension of Time to File Certain Business Income Tax, Information, and Other Returns*, has been filed with the Internal Revenue Service (IRS). If federal Form 7004 was not filed, a PE may apply for a five-month extension to file Form CT-1065/CT-1120SI only if there is reasonable cause for the request.

Form CT-1065/CT-1120SI EXT extends only the time to file a return. It does not extend the time to pay the amount of income tax due. See *Interest and Penalties* on Page 13.

If a general partner or corporate officer is unable, by reason of illness, absence, or other good cause, to request an extension, any person standing in a close personal or business relationship (including attorneys, accountants, and enrolled agents) to the general partner or corporate officer may sign the request on his or her behalf and is considered a duly authorized agent for this purpose provided the request states the reasons for a signature other than that of a general partner or corporate officer and the relationship existing between the general partner or corporate officer and the signer.

Extension Request With Credit or Debit Card Payments

Do not send Form CT-1065/CT-1120SI EXT if payment is made with a credit card (American Express®, Discover®, MasterCard®, or VISA®) or comparable debit card. All credit or debit card payments with extension requests will be accepted by the credit card service provider. However, if your payment is late, DRS will notify you in writing that your extension request is denied. See *Pay by Credit Card or Debit Card* on Page 13.

Amended Returns

Check the Amended Return box on the front of Form CT-1065/CT-1120SI to amend a previously-filed Form CT-1065/CT-1120SI. If an amended return is filed to have an overpayment of Connecticut income tax refunded, the overpayment will be refunded to the PE. However, the amended Form CT-1065/CT-1120SI must be filed before the Connecticut statute of limitations expires. Generally, the statute of limitations for refunding any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If an amended return is filed to report an underpayment of Connecticut income tax, interest will apply and, if the amended return is not timely filed, a penalty may be imposed. See *Interest and Penalties* on Page 13. An amended Form CT-1065/CT-1120SI must be filed under the following circumstances

1. The IRS or federal courts change or correct the PE's federal income tax return and the change or correction results in the Connecticut income tax being overpaid or underpaid.	File no later than 90 days after the final determination by the IRS or federal courts.
2. The PE files a timely amended federal income tax return and the amendment results in the Connecticut income tax being overpaid or underpaid.	File no later than 90 days after the final determination by the IRS.
3. If neither of the circumstances above apply, but the PE made a mistake or omission on its Form CT-1065/CT-1120SI and the mistake or omission results in the Connecticut income tax being overpaid or underpaid.	File no later than three years after the due date of the return or, if a timely request for an extension of time to file the return was filed, three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier.

Extension of Time to Pay the Tax

A PE making a composite income tax payment may be eligible for a six-month extension of time to pay the tax due if the PE can show that paying the tax on or before the due date will cause undue hardship. The PE may request an extension by filing **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1065/CT-1120SI or Form CT-1065/CT-1120SI EXT and send it on or before the due date. As evidence of the need for extension, the PE **must** attach:

- A statement of its assets and liabilities;

- An itemized list of its receipts and disbursements for the preceding three months; **and**
- An explanation of why it could not borrow money to pay the tax due.

If an extension of time to pay is granted and the PE pays all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. The PE should make payments as soon as possible to reduce the interest it would otherwise owe. Write **"2010 Form CT-1065/CT-1120SI"** and the PE's FEIN on the front of the check. DRS may submit your check to your bank electronically.

After logging into the *TSC*, select the *Make Payment Only* option and choose a tax type from the drop down box. Using this option authorizes DRS to electronically withdraw a payment from your bank account (checking or savings) on a date you select up to the due date. As a reminder, even if you pay electronically you must still file your return by the due date. Tax not paid on or before the due date will be subject to penalty and interest. You must pay the balance due on or before April 15, 2011, to avoid penalty and interest.

Pay by Credit Card or Debit Card: You may elect to pay your tax liability using a credit card (American Express®, Discover®, Master Card® or Visa®) or comparable debit card. A convenience fee will be charged by the service provider. You will be informed of the amount of the fee and may elect to cancel the transaction. - Visit www.officialpayments.com and select *State Payments*; or

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829) and follow the instructions. You will be asked to enter the Connecticut Jurisdiction Code: 1777.

Your payment will be effective on the date you make the charge.

Pay by Mail: Make check payable to **Commissioner of Revenue Services**. To ensure payment is applied to your account, write “**2010 Form CT-1065/CT-1120SI**” and the PE’s Federal Employer Identification Number (FEIN) on the front of your check. Be sure to sign your check and paper clip it to the front of your return. Do not send cash. DRS may submit your check to your bank electronically.

Income Tax Deficiency Assessment

A Connecticut income tax deficiency may, at the discretion of DRS, be assessed against the PE or the member provided any Connecticut income tax deficiency assessed against the member is limited to the member’s share. Except as provided in Conn. Gen. Stat. §12-733, the deficiency assessment is required to be made not later than three years after the PE’s composite income tax return is filed.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If the PE does not pay the tax when due, it will owe interest at the rate of 1% per month or fraction of a month until the tax is paid in full.

Interest on underpayment or late payment of tax **cannot** be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of tax is 10% of the tax not paid on or before the original due date of the return. The PE can avoid a penalty for failure to pay the full amount due by the original due date if:

- The PE files Form CT-1127;
- An extension of time to pay is granted; **and**
- The PE pays all the tax due in full by the end of the extension period.

See *Extension of Time to Pay the Tax* on Page 12.

If no tax is due, the Commissioner of Revenue Services may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Penalty for Failure to File

If the PE does not file its return and the Commissioner of Revenue Services files a return for it, the penalty for failure to file is 10% of the balance due or \$50, whichever is greater.

If the PE is required to file an amended Form CT-1065/CT-1120SI and fails to timely do so, a penalty may be imposed.

Penalty for Willful Failure to File or Pay

If you willfully fail to pay the tax or file a return, you may be fined up to \$1,000 or imprisoned up to one year, or both, in addition to any other penalty.

Penalty for Willful Filing of a Fraudulent or Materially False Return

If you willfully file a tax return you know to be fraudulent or false in any material matter, you may be fined up to \$5,000 or imprisoned from one to five years, or both.

Offset Against Debts

If the PE is due a refund, all or part of the overpayment may be used to pay outstanding debts or taxes. The overpayment will be applied in the following order: penalty and interest owed, other taxes owed DRS, or debts to other Connecticut state agencies. Any remaining balance will be refunded to the PE. If the refund is reduced, DRS will mail an explanation for the reduction.

Waiver of Penalty

To make a penalty waiver request, taxpayers must complete and submit **Form DRS-PW, Request for Waiver of Civil Penalty**, to the Department of Revenue Services (DRS) Penalty Waiver Unit. Taxpayers may mail Form DRS-PW to the address listed below or fax it to the Penalty Waiver Unit at **860-297-4797**.

Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089

DRS will not consider a penalty waiver request unless it is accompanied by a fully completed and properly executed Form DRS-PW. For detailed information about the penalty waiver process, see **Policy Statement 2010(1), Requests for Waiver of Civil Penalties**.

Recordkeeping

Keep a copy of the tax return, worksheets used, and records of all items appearing on the return until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. This information may be needed to prepare future returns or to file amended returns.

Copies of Returns

A PE can request copies of previously-filed Connecticut tax returns from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. Requests are normally processed in three weeks.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. If you do not round, DRS will disregard the cents.

Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Part I Schedule A – PE Computation of Composite Tax Due

Do not complete Part I, *Schedule A* and *Schedule B*, for members who are:

- Resident noncorporate members; **or**
- Corporate members.

All other members, including members that are PEs, must be included in Part I, *Schedule A* and *Schedule B*. If a subsidiary PE is not making complete Connecticut income tax payments on behalf of a parent PE because one or more members of the parent PE are corporate members or resident noncorporate members, the subsidiary PE must attach a statement listing the parent PE's corporate and resident noncorporate members. The statement must include each member's name, SSN or FEIN, ownership percentage, and share of income.

Line 1: Total Connecticut-Sourced income included in composite return

Athlete and entertainer withholding tax cannot be applied to the Connecticut composite income tax return on Form CT-1065/CT-1120SI. Performing entities receiving federal Form 1099-MISC must determine how much of the aggregate income and Connecticut income tax withholding reported on federal Form 1099-MISC is attributable to each member or participant and prepare Form CT-592 for each member or participant accordingly. The individual receiving Form CT-592 must report the income and claim the withholding as it appears on Form CT-592 on his or her Connecticut income tax return. See **Policy Statement 2009(1)**, *Income Tax Withholding for Athletes or Entertainers*.

- The amount of tax shown to be due on the return, minus the amount of tax paid on or before the due date of the return, equals an amount not greater than 10% of the amount of the tax shown to be due on the return; **and**
- The balance due is remitted with the return on or before the extended due date of the return.

Line 11: Late payment interest

Do not complete Part I, *Schedule A* and *Schedule B*, for members who are:

- Resident noncorporate members; or
- Corporate members.

All other members, including members that are PEs, must be included in Part I, *Schedule A* and *Schedule B*. If the PE filing the return has a member that is a PE (parent PE) which in turn has exempt members, such as corporate members or resident noncorporate members, and is not making Connecticut income tax payments on all of the parent PE's members' share of total Connecticut-sourced income, then the PE filing the return must attach a statement listing each member's name, SSN or FEIN, ownership percentage, and share of income. If there are more than eight members entered in Part I, *Schedule B*, use **Form CT-1065/CT-1120SI Supplemental Attachment** (included in this booklet) and enter the subtotal on Line 9, Columns C through F.

Column A - Enter the other deductions reported on federal Form 1065, Schedule K, Line 13, or federal Form 1120S, Schedule K, Line 12. Attach a statement that separately identifies the type and amount of each deduction.

Column B - Enter the portion of the Column A amount from a subsidiary PE(s).

Column C - Subtract the amount reported in Column B from the amount reported in Column A. If Column B is "0," enter the amount from Column A.

Part I Schedule D – Connecticut-Sourced Income From Subsidiary PE(s)

Only parent PEs must complete this schedule.

Refer to the federal Schedule K-1, Shareholder's Share of Income, Deductions, Credits, etc., issued to you by the subsidiary PE for the amount to enter in Column A of this schedule.

Refer to the **Schedule CT K-1, Member's Share of Certain Connecticut Items**, issued to you by the subsidiary PE for the amounts to enter in Column B and Column C of this schedule. The amounts reported in Column B are subject to the passive activity limitations, at-risk limitations, and federal capital loss limitations.

If there are more than eight PEs entered in Part I, *Schedule D*, use Form CT-1065/CT-1120SI Supplemental Attachment, (included in this booklet) and enter the subtotal(s) on Line 9, Columns A, B, and C.

Name of Subsidiary PE: Enter the name and the Federal Employer Identification Number (FEIN) of the subsidiary PE.

Column A: Amount Reported on Federal K-1

Refer to the federal Schedule K-1 issued to you by the subsidiary PE and enter the sum of the amounts reported on the schedule and included in Part I, *Schedule C*, Column B, for this PE.

Column B: Amount From Connecticut Sources

Refer to Part II of the Schedule CT K-1 issued to you by the subsidiary PE and enter the Connecticut-sourced income from the subsidiary PE. Take into account passive activity limitations, at-risk limitations, and federal capital loss limitations. The amount reported in this column represents Connecticut-sourced income.

Connecticut-sourced income should not be allocated or apportioned using the Form CT-1065/CT-1120SI, Part II, apportionment fraction. It should be used to complete Part VI to determine each member's Connecticut-sourced income (loss).

Column C: Connecticut Tax Liability

Refer to Part III of the Schedule CT K-1 issued to you by the subsidiary PE and enter the Connecticut tax liability as reported by the subsidiary PE on Schedule CT K-1, Part III, Line 1. Add Lines 1 through 9 and enter the total on Line 10, Column C, and on Part I, *Schedule A*, Line 6.

Part II – Allocation and Apportionment of Income

Complete Part II only if **all** of the following apply:

- The PE has at least one member who is a nonresident noncorporate member or a PE;
- The PE carries on business both within and outside Connecticut; **and**
- The PE does not maintain books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources.

The apportionment fraction calculated on Line 8 is used to complete Part VI unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, in which case those amounts must be used to complete Part VI.

The apportionment fraction is calculated using only those factors directly related to the PE filing the return. Factors from subsidiary PEs should not be used.

Part II must be completed even if an approved alternative apportionment method under Conn. Agencies Regs. §§12-711(b)-15 and 12-712(d)-1 is used. Attach a detailed explanation of the approved alternative apportionment method used to determine the Connecticut income.

Line 1: Real property owned

Enter in Column A the average value of all real property, wherever located, owned by the PE. Do not include in Column A the average value of real property rented to others or sold, exchanged, or otherwise disposed of during taxable year. Enter in Column B the average value of real property owned by the PE and located in Connecticut. Do not include in Column B the average value of Connecticut real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year.

To determine the average value of real property owned by the PE, add its fair market value at the beginning and the end of the taxable year and divide the sum by two.

Line 2: Real property rented from others

Enter in Column A the value of all real property rented from others by the PE, wherever located. Enter in Column B the value of Connecticut real property rented from others by the PE.

The value of real property rented by the PE from others and included on Line 2 is eight times the gross rent payable during the taxable year for which the return is filed.

Gross rent includes:

- Any amount payable for the use or possession of real property, or any part of it, whether designated as a fixed sum of money or as a percentage of sales, profits, or otherwise;
- Any amount payable as additional rent or in lieu of rent such as interest, taxes, insurance, repairs, or any other amount required to be paid by the terms of a lease or other agreement; **and**
- The yearly amortization applicable to any improvement to real property made by or on behalf of the PE which reverts to the owner or lessor upon termination of a lease or other arrangement.

However, if a building is erected on leased land by or on behalf of the PE, the value of the building is determined in the same manner as if it were owned by the PE.

Line 3: Tangible personal property owned or rented from others

Enter in Column A the average value of all tangible personal property, wherever located and owned by the PE, and the value of all tangible personal property, wherever located and rented from others by the PE.

Enter in Column B the average value of tangible personal property owned by the PE and located in Connecticut and the value of tangible personal property rented from others by the PE and located in Connecticut.

To determine the average value of tangible personal property owned by the PE, add its book value at the beginning and at the end of the taxable year and divide the sum by two.

To determine the value of tangible personal property rented from others, multiply by eight the gross rents payable during the taxable year for which the return is filed.

Line 4: Property owned or rented from others

Add Lines 1, 2, and 3 in Column A and Column B. Enter the result on Line 4 in Column A and Column B. On Line 4, divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter on Line 4 in Column C.

If zeros are entered on Line 4 in both Column A and Column B, do not enter any amount in Column C.

Line 5: Employee wages and salaries

Enter in Column A the total compensation paid to employees during the taxable year in connection with business operations carried on everywhere. Enter in Column B the total compensation paid to employees during the taxable year in connection with business operations carried on in Connecticut. Only enter wages, salaries, and other personal service compensation paid to employees of the PE. Do not include payments to independent contractors, independent sales agents, etc. The compensation paid for services is in connection with operations carried on in Connecticut if the employee works in or travels out of an office or other place of business located in Connecticut.

Divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter in Column C.

If zeros are entered on Line 5 in both Column A and Column B, do not enter any amount in Column C.

Line 6: Gross income from sales and services

Enter in Column A total gross sales made and charges for services performed by the PE or by its employees, agents, agencies, or independent contractors of the PE everywhere. Enter in Column B the portion of total gross sales or charges that represents the sales made or services performed by the PE or by its employees, agents, agencies, or independent contractors of the PE in Connecticut. This includes sales made or services performed by employees, agents, agencies, or independent contractors situated at, connected with, or sent out from offices of the PE (or its agencies) located in Connecticut.

Example: If the sales territory of a salesperson working out of the Connecticut office of the business covers Connecticut, Massachusetts, and Rhode Island, all sales made by the salesperson are allocated to Connecticut and included on Line 6, Column B.

Divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter in Column C.

If zeros are entered on Line 6 in both Column A and Column B, do not enter any amount in Column C.

Line 7: Total (of percentages)

Add Lines 4, 5, and 6 in Column C and enter the total on Line 7, Column C.

Line 8: Apportionment fraction

Divide Line 7 by three or by the actual number of fractions if less than three. Carry the result to four decimal places and enter on Line 8, Column C. The actual number of fractions is less than 3 if zero was entered on Lines 4, 5, or 6 in both Column A and Column B.

Part III – Place(s) of Business

Complete Part III only if the PE carries on business both within and outside Connecticut. List the exact location of each place where the PE carries on business. Briefly describe each place, such as sales office, agency, or factory, and indicate whether the location is rented by the PE or owned by the PE. Briefly describe the activity at the location shown such as storage, administration, manufacturing, etc.

Part IV – Member Information

Complete Part IV for all members. Assign each member a number and a member type code and list in sequential order. **Each member must be assigned the same “Member #” for Part I, Schedule B, and Parts IV, V, VI, and VII.** Assign numbers to each member in the following order:

- | | Member
Type Code |
|---|---------------------|
| 1. Nonresident or part-year resident individual | NI |
| 2. Nonresident or part-year resident trust | NT |
| 3. Nonresident estate..... | NE |
| 4. Pass-through entity | PE |
| 5. Resident individual | RI |
| 6. Resident trust | RT |
| 7. Resident estate | RE |
| 8. Corporate member..... | CM |

Use corporate member code for each member which is a: C corporation for federal income tax purposes, LLC which has elected to be taxed as a C corporation for federal income tax purposes, real estate investment trust, real estate mortgage investment conduit, regulated investment company, individual retirement account described in 26 U.S.C. §408(a), trust described in 26 U.S.C. §401(a), or organization exempt from federal income tax (including organizations described in 26 U.S.C. §501(c) or (d)).

Enter each member’s name and address, Member Type Code, FEIN or SSN (whichever is applicable), and percentages of profit sharing, loss sharing, and capital ownership. Enter as a decimal and carry to four places.

The PE must use the same member number assigned to a member in Part IV when providing information for that member in other Parts of Form CT-1065/CT-1120SI. The residency status of the member will determine which Part(s) of Form CT-1065/CT-1120SI must be completed for that member.

Example 1: Mary Smith is a resident individual and is identified as Member #15 in Part IV. Mary must also be identified as Member #15 in Part V. However, because Mary is a resident individual, there is no entry in Part I and Part VI for Member # 15.

Example 2: X Inc. is a corporate member and is identified as Member # 49 in Part IV. Because X Inc. is a C corporation, there is no entry in Part I and Part V for Member # 49.

If there are more than four members, use Form CT-1065/CT-1120SI, Supplemental Attachment. The supplemental attachment is included in this booklet.

Part V – Member’s Share of Connecticut Modifications

Complete Part V for all noncorporate members or PEs. **Assign each member the same number** for Part I, Schedule B, and Parts IV, V, VI, and VII.

Enter each member’s share of Lines 1 through 10.

If there are more than three members, use Form CT-1065/CT-1120SI Supplemental Attachment. Regardless of whether Form CT-1065/CT-1120SI Supplemental Attachment is used, add and enter the totals for all members on Form CT-1065/CT-1120SI, Part V, *Totals for All Members* column.

Additions

Enter the amount of each member’s share as a positive number.

Line 1: Interest on state and local government obligations other than Connecticut

Enter the amount of each member’s share of interest income derived from state and municipal government obligations, other than obligations of the State of Connecticut or its municipalities, which interest income is not taxed for federal income tax purposes.

Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Line 2: Mutual fund exempt-interest dividends from non-Connecticut state or municipal government obligations

Enter the amount of each member's share of exempt-interest dividends received from a mutual fund derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states, including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% is added back on this line.

Line 3: Certain deductions relating to income exempt from Connecticut income tax

Enter the amount of each member's share of the amount deducted for federal income tax purposes for:

- Interest expense on loans used to buy bonds and securities whose interest is exempt from Connecticut income tax;
- Expenses related to income exempt from Connecticut income tax; **and**
- Amortizable bond premium on any bond, the interest from which is exempt from Connecticut income tax.

Line 4: Cancellation of debt income

Enter each member's share of cancellation of debt income realized in connection with a reacquisition of an applicable debt instrument after December 31, 2008, and before January 1, 2011, and deferred for federal income tax purposes.

Line 5: Other

Use Line 5 to report the amount of each member's share of additions to income not listed on Lines 1 through 4. For example, include the amount of each member's share of:

- Any loss recognized on the sale or exchange of bonds or other obligations of the State of Connecticut or its municipalities;

- The PE's share of any positive Connecticut fiduciary adjustment received from a trust or estate of which the PE is a beneficiary;
- Any interest or dividend income on federal obligations or securities exempt from federal income tax and which federal law does not exempt from state income taxes;
- Income taxes imposed under Chapter 229 of the Connecticut General Statutes and paid to Connecticut by the PE with a composite return on behalf of nonresident members to the extent deductible by the nonresident members in determining their federal adjusted gross income; **and**
- To the extent deductible in determining federal adjusted gross income, expenses paid for the production or collection of Connecticut tax-exempt income or paid for the management, conservation, or maintenance of property held for the production of the income.

Subtractions

Enter the amount of each member's share as a positive number.

Line 6: Interest on U.S. government obligations

Enter the amount of each member's share of interest income derived from U.S. government obligations, to the extent included in federal adjusted gross income, that federal law prohibits states from taxing, for example, all U.S. government bond interest such as Savings Bonds Series EE and Series HH or U.S. Treasury bills and notes.

Do not enter the amount of interest earned on Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this interest is taxed by Connecticut. See **Policy Statement 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*.

Line 7: Exempt dividends from certain qualifying mutual funds derived from U.S. government obligations

Enter the amount of each member's share of exempt dividends received from a qualifying mutual fund and

derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter of its taxable year**, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to the PE by the mutual fund.

Do not enter the amount of income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the \$100 distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 7 is \$55.

Line 8: Certain expenses related to income exempt from federal income tax but subject to Connecticut tax

Enter the amount of each member's share of interest expense on money borrowed to purchase or carry bonds or securities, whose interest income is subject to Connecticut income tax but exempt from federal income tax, provided this interest was a business expense for the federal taxable year and was not deducted in determining the PE's income.

Line 10: Other

Report the amount of each member's share of subtractions not listed on Lines 6 through 8. For example, include the amount of each member's share of:

- Any gain recognized on the sale or exchange of bonds or other obligations issued by the State of Connecticut or its municipalities;
- Interest income from federally taxable Connecticut bonds include any Build America Bond tax credit amount if the Build America Bond, as described in section 1531 of the American Recovery and Reinvestment Act of 2009, was issued by the State of Connecticut or a Connecticut political subdivision, and only to the extent the credit amount is treated as interest includible in gross income for federal income tax purposes.
- The PE's share of any negative Connecticut fiduciary adjustment received from a trust or estate of which the PE is a beneficiary;

- Any refund or credit for the overpayment of income taxes imposed by any state of the United States, a political subdivision of the United States, or the District of Columbia to the extent the amount was included in federal adjusted gross income;
- Business expenses incurred in connection with the income or property held to produce income subject to Connecticut income tax but exempt from federal income tax provided these expenses were not deducted in determining PE income; **and**
- Amortization of bond premium on any bond that provides interest income taxable in Connecticut but exempt from federal income tax provided this amortization was business expense for the taxable year and was not deductible in determining PE income.

Part VI – Connecticut-Sourced Portion of Items From Federal Schedule K-1, Form 1065, or Form 1120S

Complete Part VI for all nonresident noncorporate members, and each member that is a PE. Assign each member the same number for Part I, *Schedule B*, and Parts IV, V, VI, and VII.

If there are more than three members, use Form CT-1065/CT-1120SI Supplemental Attachment. Regardless of whether Form CT-1065/CT-1120SI Supplemental Attachment is used, add and enter the totals for all members on Form CT-1065/CT-1120SI Part VI, Total for All Members column.

Any PE carrying on business in Connecticut only must combine the amounts reported in Part I, *Schedule C*, Column C, with the income from subsidiary PEs (Part I, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part VI.

Any PE carrying on business both within and outside Connecticut must apportion the amounts reported in Part I, *Schedule C*, Column C, and then combine the apportioned amounts with the income from subsidiary PEs (Part I, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part VI.

If the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, combine the amount disclosed in the books and records with the income from subsidiary PEs

(Part I, *Schedule D*, Column B) to calculate the amount of each member's Connecticut-sourced income (loss) reported in Part VI.

The character of the income (loss) for Connecticut income tax purposes must mirror the character of the income (loss) for federal income tax purposes.

The amounts entered on Lines 1 through 13 should also reflect the amount of the member's share of Connecticut modifications as reported on Part V, Lines 1 through 10, to the extent the modifications are derived from or connected with Connecticut sources.

Line 1: Ordinary business income (loss)

Enter the Connecticut portion of each member's share of nonseparately stated income or loss.

A PE that maintains books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must enter on Line 1 in the appropriate column the amount of each member's share of that nonseparately stated income or that nonseparately stated loss as determined from those books and records. The portion of the PE's nonseparately stated income or loss derived from or connected with Connecticut sources, as determined from the PE's books and records, is multiplied by the member's share (%) of that income or loss.

A PE that does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must use the apportionment fraction computed on Part II, Line 8, or an authorized alternative apportionment method to determine the portion of any item derived from or connected with Connecticut sources. Multiply the amount of each member's share of nonseparately stated income or nonseparately stated loss by the PE's apportionment fraction as reported on Part II, Line 8, and enter the result on Part VI.

Example 1: Assume that a PE, whose nonseparately stated income is entirely derived from its retail business, maintains books and records that satisfactorily disclose the portion of the income derived from or connected with each of its retail stores (including its stores in Connecticut). Assume the PE has nonseparately stated income of \$500,000. Member #1's share of the PE's nonseparately stated income is 10% and the PE's books and records disclose that the portion of its nonseparately stated income derived from or connected with Connecticut sources is \$150,000. The PE must enter \$15,000 ($\$150,000 \times .10$) on Line 1 as the amount of Member

#1's share of the PE's nonseparately stated income derived from or connected with Connecticut Sources.

Example 2: The facts are the same as in Example 1 except that the PE does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income derived from or connected with each of its retail stores. Assume that the PE's apportionment fraction as reported on Part II, Line 8, is 40%. The PE must enter \$20,000 ($(\$500,000 \times .10) \times .40 = \$20,000$) on Line 1 as the amount of Member #1's share of the PE's nonseparately stated income derived from or connected with Connecticut sources.

Line 2: Net rental real estate income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

Line 3: Other net rental income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the amount from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 4: Guaranteed payments (partnerships and LLCs treated as partnerships only)

Enter the Connecticut portion of the amount of each member's share of guaranteed payments made to the member. Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's distributive share of guaranteed payments from federal Form 1065, Schedule K-1, by the apportionment fraction on Part II, Line 8.

Line 5: Interest income

Enter the Connecticut portion of the member's share of interest income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books

and records that satisfactorily disclose the portion of the interest income derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 6a: Ordinary dividends

Enter the Connecticut portion of the member's share of dividend income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. For example, dividends from stock used as collateral to secure a business loan (for a Connecticut business) would be income from intangible personal property employed in a Connecticut trade or business and therefore would be subject to Connecticut income tax. Unless the PE maintains books and records that satisfactorily disclose the portion of the dividend income derived from or connected with Connecticut sources, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 6b: Qualified dividends

Enter the Connecticut portion of the member's share of qualified dividends from Line 6a above.

Line 7: Royalties

Enter the Connecticut portion of the member's share of royalty income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books and records that satisfactorily disclose the portion of the royalties income derived from or connected with Connecticut sources, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 8: Net short-term capital gain (loss)

Enter the Connecticut portion of the member's share of net short-term capital gain (loss). If the amount relates to the sale of rental property located in Connecticut, the capital gain (loss) is 100% sourced

to Connecticut. Items of capital gain (loss) attributable to intangible personal property (such as the sale of stock) are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Line 9a: Net long-term capital gain (loss)

Enter the Connecticut portion of the member's share of net long-term capital gain (loss). If the amount relates to the sale of rental property located in Connecticut, the capital gain (loss) is 100% sourced to Connecticut. Items of capital gain (loss) attributable to intangible personal property, such as the sale of stock, are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Line 9b: Collectibles (28%) gain (loss)

Enter the Connecticut portion of the member's share of collectibles gain (loss).

Line 9c: Unrecaptured section 1250 gain

Enter the Connecticut portion of the member's share of IRC §1250 gain.

Line 10: Net section 1231 gain (loss)

Enter the Connecticut portion of the member's share of gain (loss) under IRC §1231.

The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

If the amount relates to a trade or business activity, unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion of the member's share of the gain (loss) is calculated by multiplying the amount of the member's share of gain (loss) under IRC §1231 from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 11: Other income (loss)

Enter the Connecticut portion of the member's share of other items of income, gain, loss, or deduction not included on Lines 1 through 10 above. Attach a statement that separately identifies the type and amount of income or loss.

Line 12: Section 179 deduction

Enter the Connecticut portion of the member's share of the deduction allowed under IRC §179.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 13: Other deductions

Enter the Connecticut portion of the member's share of other deductions not deducted in arriving at ordinary income (loss) from trade or business activities and separately stated on the federal Schedule K-1. Domestic production activities information, qualified production activity income (QPAI) and W-2 wages amounts reported to a member on federal Schedule K-1 under IRC §199, domestic production activity deduction, should **not** be included on this line.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Attach a statement that separately identifies the type and amount of each deduction.

Part VII – Connecticut Income Tax Credit Summary

Before completing Part VII, if the PE is a qualified small business or an employer that received a certification letter from the Department of Economic and Community Development (DECD) indicating that the qualified small business job creation tax credit or the vocational rehabilitation job creation tax credit is available to be claimed, the PE must complete **Form CT-1120 SBJ**, *Small Business Job Creation Tax Credit*, or **Form CT-1120 VRJ**, *Vocational Rehabilitation Job Creation Tax Credit*, or both, to determine the amount of allowable credit.

Signature

Form CT-1065/CT-1120SI must be signed by a general partner or corporate officer. Provide a telephone number.

Paid Preparer Signature

A paid preparer must sign and date Form CT-1065/CT-1120SI. Paid preparers must also enter their Social Security Number (SSN) or Personal Taxpayer Identification Number (PTIN), their firm's Federal Employer Identification Number (FEIN), and their firm's address and telephone number in the spaces provided.

Paid Preparer Authorization

If the PE wishes to authorize DRS to contact the paid preparer who signed the 2010 tax return to discuss it, check the **Yes** box in the signature area of the return. This authorization applies only to the individual whose signature appears in the paid preparer's signature section of the return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the PE authorizes DRS to call the paid preparer to answer questions that may arise during the processing of the 2010 Form CT-1065/CT-1120SI. The PE also authorizes the paid preparer to:

- Give DRS any information missing from the return;
- Call DRS for information about processing the PE's return or the status of the PE's refund or payment; **and**
- Respond to certain DRS notices the PE may have shared with the preparer regarding math errors, offsets, and return preparation. The notices will not be sent to the preparer.

The PE is **not** authorizing the paid preparer to receive any refund check, bind the PE to anything (including additional tax liability), or otherwise represent the PE before DRS. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing the 2011 Connecticut Composite Income Tax Return. This is on or before the fifteenth day of the fourth month following the close of the taxable period.

Keep a copy of this return for the PE's record.
