Re: Certificate of Need Determination, Report Number 04-30325-DTR
Village for Families & Children, Inc.
Relocation of Dr. Isaiah Clark Family & Youth Clinic

Dear Mr. Rivera:

This is to acknowledge receipt of your letter requesting a Certificate of Need ("CON") determination for the relocation of Dr. Isaiah Clark Family & Youth Clinic from 2550 Main Street, Hartford, to 1680 Albany Avenue, Hartford, CT.

Please be advised that the Office of Health Care Access ("OHCA") has reviewed your request and finds that the relocation of the existing office will not change the area served by your program, the licensing category of your program, or any aspects of program delivery. There will be no expansion of services at this time and the capital expenditure to be incurred as a result of the relocation will be less than the statutory limit of \$1,000,000. Based on these findings, OHCA has determined that CON approval is not required for you to proceed with the planned relocation.

Thank you for keeping OHCA informed of your relocation plan. If you have any questions concerning this letter, please call Paolo Fiducia at (860) 418-7035.

Sincerely,

Signed by Cristine A. Vogel
Commissioner
