Re: Certificate of Need Determination, Report Number 04-30364-DTR
Life Source Center, Inc. of Plantsville, CT
Proposal to Relocate Adult Outpatient Behavioral Health Services

Dear Mr. Shocki:

This is to acknowledge receipt of your letter requesting a Certificate of Need ("CON") determination regarding the proposed relocation of your outpatient behavioral health services, (provided to adults requiring psychiatric and/or substance abuse treatment) from your current office location at 790 South Main Street, Plantsville, to your proposed office location at 710 Main Street, Plantsville, CT. The proposed location is within 200 yards of the current office location.

Please be advised that the Office of Health Care Access ("OHCA") has reviewed your request and finds that the relocation of the existing office will not change the area served by your programs, the licensing category of your programs, or any aspects of program delivery. There will be no expansion of services at this time and the capital expenditure to be incurred as a result of the relocation will be less than the statutory limit of \$1,000,000. Based on these findings, OHCA determines that CON approval is not required for you to proceed with the relocation.

Thank you for advising OHCA of your impending relocation. If you have any questions concerning this letter, please call Jack Huber, Health Care Analyst, at (860) 418-7034.

Sincerely,

Signed by Cristine A. Vogel
