RE: Certificate of Need Determination; Report Number 06-30776-EXM
Connecticut Renaissance, Inc.
CON Exemption Pursuant to Section 19a-639b, C.G.S.
Establish Psychiatric Outpatient Treatment Program for Adults at the Connecticut
Renaissance Juvenile Risk Reduction Center in Bridgeport

Dear Mr. McAuliffe:

The Office of Health Care Access ("OHCA") is in receipt of your request for exemption from the Certificate of Need ("CON") process, pursuant to Section 19a-639b of the Connecticut General Statutes ("C.G.S."), to establish a psychiatric outpatient treatment program for Adults at the Connecticut Renaissance Juvenile Risk Reduction Center at 1 Lafayette Square in Bridgeport.

Upon review of the information contained in the request, OHCA finds the following:

1. Connecticut Renaissance, Inc. ("CRI") is a non-profit facility providing adult outpatient psychiatric and substance abuse treatment at various locations in Connecticut.
2. CRI is proposing to establish a psychiatric outpatient treatment program for adults at the Connecticut Renaissance Juvenile Risk Reduction Center at 1 Lafayette Square in Bridgeport.
3. The Department of Mental Health and Addiction Services ("DMHAS"), in a letter dated February 24, 2006, from Deputy Commissioner Peter B. Rockholz, M.S.S.W., recommends an exemption under CGS Section 19a-639b to Connecticut Renaissance, Inc. to provide outpatient psychiatric services for adults at 1 Lafayette Square in Bridgeport.
4. DMHAS states that Connecticut Renaissance, Inc. will provide outpatient psychiatric

An Equal Opportunity Employer

treatment for adolescents and their families (parents/adults) at the Connecticut Renaissance Juvenile Risk Reduction Center serving persons throughout the state. CRI plans to serve 12 persons with co-occurring disorders and 45 persons with only mental illness.

5. The total capital expenditure associated with the proposal is \$0.

Based on the above findings, OHCA has determined that Connecticut Renaissance, Inc.'s request to establish a psychiatric outpatient treatment program for adults at the Connecticut Renaissance Juvenile Risk Reduction Center at 1 Lafayette Square in Bridgeport meets the exemption requirements of Section 19a-636b of the Connecticut General Statutes and, therefore, is exempt from OHCA's CON process. Termination of these services would require CON approval, pursuant to Section 19a-638, C.G.S.

Thank you for providing information to OHCA regarding this proposal. If you have any questions concerning this letter, please contact Paolo Fiducia, Associate Health Care Analyst, Certification, Financial Analysis and Forecasting, at (860) 418-7001.

Sincerely,

Signed by Cristine A. Vogel
