RE: Certificate of Need Determination; Report Number 08-31260-DTR  
Hill Health Corporation  
Relocation of Adult Psychiatric Clinic

Dear Mr. Kilpatrick:

On October 29, 2008, the Office of Health Care Access ("OHCA") received your request for a Certificate of Need Determination regarding the relocation of an adult psychiatric clinic. Upon review of the information contained in the request, OHCA finds the following:

1. Hill Health Corporation ("HHC") is a nonprofit Federally Qualified Health Center located at 400 Columbus Avenue, New Haven.
2. HHC operates an Adult Psychiatric Clinic that is licensed to provide outpatient behavioral health services at 393 Columbus Avenue, New Haven, CT.
3. Hill Health Corporation proposed to move the clinic across the street, to 400 Columbus Avenue, New Haven.
4. The program serves primarily low-income clients, and will continue to do so with the proposal.
5. The total cost associated with this relocation of \$3,000 for moving expenses will be funded with the Applicant's equity.

Based on these findings, OHCA has determined that Certificate of Need approval is not required for you to proceed with the relocation. Termination of these services would require CON approval, pursuant to Section 19a-638, C.G.S.

Thank you for keeping OHCA informed of your plans regarding this proposal. If you have any questions regarding this letter, please contact Alexis Fedorjaczenko, Health Care Analyst, at (860) 418-7067.

Sincerely,
