RE: CON Determination Report Number 10-31670-DTR  
Monsignor Bojnowski Manor  
Proposal to Provide Outpatient Rehabilitation Services

Dear Ms. Salvetti:

The Office of Health Care Access ("OHCA") received your determination request with respect to Monsignor Bojnowski Manor's proposal to provide outpatient rehabilitation services. Based upon the information provided in your request, Monsignor Bojnowski Manor is a Chronic and Convalescent Nursing Home that offers physical therapy, occupational therapy and speech and language therapy to residents of the facility and is now proposing to extend the same services to the outside community and employees of the facility. Pursuant to Public Act 10-179 § 87 (b) 4), nursing homes are exempt from Certificate of Need ("CON"). Accordingly, CON authorization is not required for your facility to provide these services.

Thank you for notifying OHCA of your proposal.

Sincerely,

Norma D. Gyle, R.N., Ph.D.  
OHCA Deputy Commissioner
