Establishment of a Surgery Center

Dear Dr. Passaretti:

On February 2, 2011, the Office of Health Care Access ("OHCA") received your determination request with respect to whether a certificate of need ("CON") is required for the establishment of an outpatient surgical facility in Darien. Pursuant to General Statutes § 19a-638 (a) (5), a CON is required for the establishment of an outpatient surgical facility. Please note that forms are available on the OHCA website and the CON application process is governed by General Statutes § 19a-639a.

If you have any questions regarding this letter or with respect to filing your CON application, please contact Steven W. Lazarus, Associate Health Care Analyst, at (860) 418-7012.

Sincerely,

A handwritten signature in cursive script that reads "Jeannette B. DeJesus".

Jeannette B. DeJesus, MPA, MSW  
Deputy Commissioner, OHCA
