RE: Certificate of Need Determination Report Number 11-31705-DTR
Urology Associates of Danbury, P.C.
Acquisition of Extracorporeal Shock Wave Lithotripsy Equipment

Dear Dr. Gorelick:

On June 14, 2011, the Office of Health Care Access ("OHCA") received your Certificate of Need ("CON") determination request on behalf of Urology Associates of Danbury, P.C. ("Applicant") with respect to whether a CON is required for the Applicant to acquire extracorporeal shock wave lithotripsy ("ESWL") equipment for its office in Danbury.

Pursuant to General Statutes § 19a-638, a CON is not required for the Applicant to acquire ESWL equipment to provide ESWL service in its own office. If you have any questions regarding this letter, please contact Steven W. Lazarus, Associate Health Care Analyst, at (860) 418-7012.

Sincerely,
