Re: Certificate of Need Determination; Report Number: 11-31738-DTR
John J. Borkowski, M.D. d/b/a American Cosmetic Surgery Center
Convert Practice to a Limited Liability Company and Change Name of the Practice

Dear Dr. Borkowski:

On December 11, 2011, the Office of Health Care Access ("OHCA") received your determination request on behalf of John J. Borkowski, M.D. d/b/a American Cosmetic Surgery Center ("Practice") with respect to whether a certificate of need ("CON") is required for the Practice to convert from a sole proprietorship to a limited liability company. The Practice is also proposing to change its name from John J. Borkowski, M.D. d/b/a American Cosmetic Surgery Center to Patient Choice Surgery Center, LLC.

Based upon the foregoing, it appears that converting the Practice to an LLC and changing the name of the Practice will not result in a change to the Practice's governance or controlling body and accordingly, a CON is not required for this proposal pursuant to General Statutes § 19a-638a (2).

Thank you for informing OHCA of your plans and if you have any questions regarding this letter, please contact Steven W. Lazarus, Associate Health Care Analyst at (860) 418-7012.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberly R. Martone".
