

STATE OF CONNECTICUT
DEPARTMENT OF EDUCATION

TO: Superintendents of Schools
Superintendents of Unified School Districts
Directors of Public Charter Schools
Executive Directors of Regional Educational Service Centers
Directors of Approved Private Special Education Programs

FROM: Dr. Sarah J. Barzee, Chief Talent Officer 

DATE: February 8, 2019

SUBJECT: Data verification regarding TEAM program reimbursements to districts

As indicated in my memorandum dated October 11, 2018, the TEAM page in the Educator Data System (EDS) includes a complete list of beginning teachers in your school/district who are required to complete TEAM. After 5 pm on February 15, 2019, the CSDE will generate from EDS, a list of all active beginning teachers participating in TEAM, including those who completed TEAM since September 1, 2018. This data will be used to calculate the amount of funding per beginning teacher that will be allocated to districts.

Please instruct the person in your district with the EDS LEA TEAM role (see attached list) to ensure that your data in EDS are accurate and complete by February 14, 2019. If you believe a teacher should be included in your TEAM list but does not appear on your list, please verify that the teacher has been entered correctly in EDS. A teacher will only appear on your TEAM list if they have been correctly entered into EDS with a teaching assignment that is in compliance with their certification. If you believe there are any discrepancies in your data, please contact Gady Weiner at gady.weiner@ct.gov no later than February 14, 2019.

If you have any questions about the TEAM program, you may contact Claudine Primack, TEAM Program Manager, CSDE, at 860 713-6826, or claudine.primack@ct.gov.
