DATE: April 10, 2015

SUBJECT: *The Condition of Education in Connecticut*

Attached is a copy of the 2013-14 version of *The Condition of Education in Connecticut*. This annual report is required under Section 10-4 of the Connecticut General Statutes and serves as the Department's signature data report.

This report is intended to help decision-makers contemplate the broad spectrum of achievements and challenges in Connecticut's public schools. We hope that this information will help us all make thoughtful and well-informed decisions. Equipped with the information in this report, together we can continue to take steps in improving Connecticut's education system.

In an effort to reduce costs, we are publishing this year's report as a web-only document and have printed only those copies required by statute. The report is available on the Department's Web site at [http://www.sde.ct.gov/sde/lib/sde/pdf/board/boardmaterials/040615/iii c receipt of the report on the condition of education 2013 14.pdf](http://www.sde.ct.gov/sde/lib/sde/pdf/board/boardmaterials/040615/iii%20c%20receipt%20of%20the%20report%20on%20the%20condition%20of%20education%202013%2014.pdf)
