FINAL DECISION AND ORDER

ISSUES:

Is the Board of Education's evaluation of the Student appropriate?

PROCEDURAL HISTORY:

The Board of Education filed this request for a special education due process hearing on June 15, 2015 in order to establish that its evaluation of the Student is appropriate. The Hearing Officer was assigned to the case on June 22, 2015, and a prehearing conference was scheduled for July 2, 2015. On July 1, 2015, the Student's mother requested that the conference be postponed. That request was granted and the conference was rescheduled for July 9, 2015. At that time, the Student's mother reported that she had withdrawn her request for an independent educational evaluation.

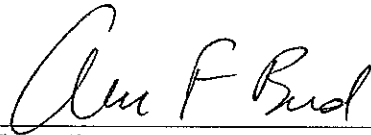

On July 20, 2015, the Board of Education requested that the matter be dismissed.

FINAL DECISION AND ORDER:

It is ordered that the Board of Education's request for dismissal is granted and this matter is dismissed.

If the local or regional board of education or the unified school district responsible for providing special education for the student requiring special education does not take action on the findings or prescription of the hearing officer within fifteen days after receipt thereof, the State Board of Education shall take appropriate action to enforce the findings or prescription of the hearing officer.

Appeals from the hearing decision of the hearing officer may be made to state or federal court by either party in accordance with the provisions of Section 4-183, Connecticut General Statutes, and Title 20, United States Code 1415(i)(2)(A).
