

Norwalk, Conn.

Seed mimeo. sent '44.

E. J. Devine

Strawberry Hill Ave.

1- *crenata* unknown source

10/11/37 - Has large Jap in his yard. See his letter of 10/20/37 for details re this tree.

3/31/38 - Sent 2 FP-497 *C. crenata* for cross pollination purposes.

10/7/46 - One tree died a few years ago, the other growing fine & each year more & better nuts produced. The old tree planted about 1892 & its nuts have improved in size & quantity since planting the new tree. Nuts sent with this letter not received.
