4

Trees born in 1941; 5 or 6 trees doing very
 well. Do better in semi-cleared land
 than in competition with hard-
 woods. about 10 nuts planted spring 1942.
 Rept by C. R. Fellers, 3/20/42

11/3/44. Boyd has examined most of these trees during
 past 3 yrs. Lack of care resulted in death of
 majority of trees. Blight becoming worse.

11/14/44 - Blight doesn't seem to favor any particular condition
 This & above letters give details.
