

HILLCREST GARDENS  
WESTON  
MASSACHUSETTS  
UNITED STATES OF AMERICA

My dear Mr. Gravatt,

Our young chestnut  
trees are planted on the  
bank where there are some  
small rhododendrons,  
above a spring the top  
of which is covered with  
English ivy, on the back  
part of our place not  
far from our incinerator.
