

6/30/43 - 500# seed rec'd at Elob.
April 1936 + given a
number (M1-1870). No
record of source except
that they were shipped
"direct from The Orient."
(per letter to Diller)

2/27/45 - " We have several hundred
seedlings of mollissima
which were planted in
1937 from seedlings
produced at this
nursery. Now 25 ft
high (see photo.)
Collected about 100#
of nuts in addition to
those squirrels got. -
Hastings letter
to C. A. Reed.
