

J. Ford Wilkinson, Rockport, Ind **F** ✓ W-1951 7  
grafter and reporter on nuts. Lives 10 miles down river toward  
Chestnut orchardist?, Evansville.

Vice Pres. Mid West nut growers asso. 1927

6/22/27 Has seen no CB around. Has 1 cooper chestnut (C. dentata  
X Jap) 11 yrs. 30 ft. 10 in. DBH. Healthy.

Boone has cropped 8 or 9 yrs. 20 ft x 6 in. Healthy.  
He had some 50 chestnut 4-6 ft. high in nursery but he  
is going to pull them out. Interests in pecans. Strong.

4/21/33 - shipped 3 pounds FP-462 seed.

11/3/54 - Very fine results with seed sent in '33. Has  
a number of 2-year olds (from nuts of above tree) have  
nice burr of nuts on them; one selection he is  
thinking of introducing as a variety.

Chestnut orchardist?

Sec. Mid West nut growers asso. 1927

6/22/27 No one seemed to know much about him. Dietz  
informed me he was one time Co. Agt. and got in  
political mixup and was now on Corn Borers work  
in North Indiana. - Strong.

10/8/30 - Letter attached re Scott.
